Developmental Dysplasia of the Hip

Foot Pain in Children and Adolescents

Intoeing in Children

Knee Pain in Children & Adolescents

Limb Deformity in Children and Adolescents

Lower Extremity Problems in Children

Neonatal Orthopedics

Pediatric Lower Extremity Fractures

Septic Arthritis and Osteomyelitis in Children

The Limping Child

Matthew Grady, MD

Concussion

Musculoskeletal Medicine

John Todd Lawrence, MD

OCD

Pediatric ACL

Pediatric Trauma

Shoulder Instability

Sports Injuries in Kids

Christina Master, MD

Common Pediatric and Adolescent Musculoskeletal Injuries and Overuse Syndromes

Concussion

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Wudbhav Sankar, MD

Adolescent and Young Adult Hip Issues
Hip Dysplasia
Pediatric Orthopaedic Trauma
Perthes Disease
sCFE
Scoliosis

Apurva Shah, MD

Brachial Plexus Birth Palsy
Cerebral Palsy in the Hand and Upper Limb
Common Disorders of the Hand and Upper Extremity
Infections of the Hand and Upper Extremity
Physeal Fractures of the Distal Radius

David Spiegel, MD

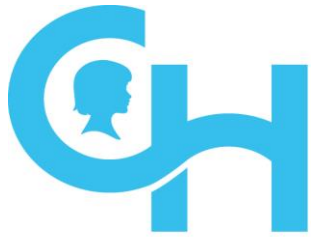

Cerebral Palsy
Children's Disability Care in Developing Countries
Fractures, Sprains, and Strains
Musculoskeletal Problems in Developing Countries
Neuromuscular Diseases
Playground Injuries in Children
Public Health Perspective on Orthopaedic Problems in Developing Countries
Shoulder Disorders in Children
The Limping Child
Year Around Sports Pros and Cons

Brian Vernau, MD

Breathing Problems in Athletes
Concussion
Exercise Intolerance
Medical Problems in Athletes
Sports Injuries and Injury Prevention
Sports Medicine for the Primary Care Provider

Jennifer Winell, MD (NJ Sites)

Club Foot
DDH
Flat Feet
Lower Extremity Deformities
Overuse Injuries in Athletes
Scoliosis
Upper and Lower Extremity Injuries in Kids

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Otolaryngology

Anne DeLeo, MSN, CRNP, CORLN
Otology

Brian Dunham, MD
Endoscopic Ear Surgery
Head and Neck Masses
Hearing Loss
Medical Illustration and Surgical Education
Pediatric Cochlear Implants
Pediatric Otologic Surgery

Lisa Elden, MD
Chronic Ear Disease
Otitis Media
Pediatric Sinusitis
Sleep Apnea

John Germiller, MD, PhD
Chronic Otitis Media
Cochlear Implantation
Hearing Loss in Children
Malformations of the Ear

Steven Handler, MD
Introduction to Bioethics
Otology for the Primary Care Pediatrician
Pediatric Neck Masses

Ian Jacobs, MD
Pediatric Otolaryngology for the Office-Based Practitioner

Ken Kazahaya, MD
Cholesteatoma
Chronic Otitis Media
Chronic/Recurrent Ear Infections
Congenital Head and Neck Masses
Endoscopic Ear Surgery
Hearing Loss
Juvenile Nasopharyngeal Angiofibroma
Pediatric Cochlear Implantation
Pediatric Head and Neck Neoplasms/Malignancies
Pediatric Neck Masses
Pediatric Obstructive Sleep Apnea

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Pediatric Thyroid Cancer
Surgical Management of Thyroid Disorders

Mark Rizzi, MD

Neck Masses
The Management of Sinusitis in Children

Steve Sobol, MD

Airway Reconstruction
Congenital Nasal Lesions
Management of Distal Tracheal Stenosis
Management of Sinusitis in Children
Pediatric ENT for the Primary Care Physician
Pediatric Neck Masses
Pediatric Stridor
Pediatric Tympanoplasty
Strategies for Avoiding Tracheotomy in Infants

Lawrence W. C. Tom, MD

Eustachian Tube Dysfunction
Otitis Media

Ralph Wetmore, MD

Pediatric Sleep-disordered Breathing

Karen Zur, MD

Avastin for Management of Recurrent Respiratory Papillomatosis (RRP)
Management of Vocal Fold Paralysis
Pediatric Airway Obstruction/Subglottic Stenosis
Pediatric Drooling
Pediatric Dysphagia/Aspiration
Pediatric Voice Disorders
Vocal Cord Dysfunction (VCD)

Pediatric General, Thoracic and Fetal Surgery

N. Scott Adzick, MD

Fetal Surgery
Fetal Surgery for Spina Bifida
Pediatric Thyroid Surgery
Surgery for Congenital Hyperinsulinism

Thane Blinman, MD

Child Abuse
Common Pediatric Surgical Issues: A Discussion of Selected Cases

Children's Hospital of PhiladelphiaSM

Speakers Bureau

ECMO
Juvenile Myasthenia Gravis-thymectomy Approach
Minimally Invasive Surgery
Reflux
Surgical Nutrition
Trauma

Edward Doolin, MD

Anal Atresia
Common Pediatric Surgical Issues
Delayed Meconium
Hirschprung's Disease
In Vitro Testing and Molecular Approaches to Cancer
Motility Disorders Work up and Management.
Psychology of Trauma Victims
Trauma Center Usage and Readiness

Alan Flake, MD

Abdominal Wall Defects
Artificial Womb
EXIT Delivery
Fetal Lung Lesions – Prenatal and Postnatal
Fetal Sacrococcygeal Teratoma
Neonatal Minimally Invasive Surgery
Open Fetal Surgery for Major Fetal Anomalies
Prenatal Stem Cell and Gene Therapy
Surgical Management of Biliary Atresia and Choledochal Cysts
Thoracoscopic Treatment of Congenital Lung Lesions

Holly Hedrick, MD

EXIT Delivery
Lung Lesion, and Giant Omphalocele
Open Fetal Surgery for Major Fetal Anomalies
Prenatal Diagnosis and Management of Fetal Chest Masses
Pulmonary Hypoplasia Program - Prenatal, Neonatal, and Postnatal Management
of Congenital Diaphragmatic Hernia

Pablo Laje, MD

Common Pediatric Surgical Issues
Hyperhidrosis
Minimally Invasive Pediatric Surgery

Peter Mattei, MD

Common Pediatric Surgical Issues
Minimally Invasive Pediatric Surgery

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Neuroblastoma
Pediatric Solid Tumors
Robotics in General Surgery
Surgical Improvement and Patient Safety/Safety Culture
Surgical Treatment Options for IBD

Gary Nace, MD

Disorders of Intestinal Rotation in the Pediatric Patient
Disorders of the Umbilicus
Enteric Duplications in the Pediatric Patient
Lumps & Bumps
Management of Hernias
Management of Ovarian Cyst in the Pediatric Patient
Minimally Invasive Pediatric Surgery
Pediatric Pilonidal Disease
Pediatric Trauma
Updates & Controversies in the Management of Pediatric Appendicitis
Updates in Pediatric Surgery

Michael L. Nance, MD

Chest Wall Abnormalities
Firearms Injuries
Mild Traumatic Brain Injury
Neonatal Surgical Emergencies
Pediatric Trauma Resuscitation
Solid Organ Injuries
Surgical Urgencies
What's New In Pediatric Surgery

William Peranteau, MD

In Utero Stem Cell Transplantation and Gene Therapy
Mediastinal Masses
SCT

Plastic Surgery

Scott Bartlett, MD

Congenital Ear Anomalies, Non-Surgical Ear Molding
Craniofacial Microsomia/Hemifacial Microsomia
Craniosynostosis
Distraction Osteogenesis
Pediatric Facial Soft Tissue Injuries
Plagiocephaly/Non-Surgical deformations of the head

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Howard Caplan, MD

Pediatric and Adolescent Breast Disorders
Pilonidal Disease, Cleft Lip procedure

Benjamin Chang, MD

Congenital Hand Problems - Diagnosis & Treatment
Pediatric Hand Injuries - First Aid

Oksana Jackson, MD

Cleft Lip and Palate
Facial Palsy
Pediatric and Adolescent Breast Disorders
Velopharyngeal Dysfunction

Ines Lin, MD

Obstetric Brachial Plexus Palsy
Pediatric Hand Trauma

David W. Low, MD

Cleft Lip and Palate
Hemangiomas and Vascular Malformations
Pediatric External Ear Deformities
Pigmented lesions and other congenital skin lesions

Leanne Magee, PhD

Body Image
Psychosocial Aspects of Craniofacial Conditions
Psychosocial Aspects of Pediatric Plastic Surgery

Rachel McKenna, CRNP

Cleft Lip and Palate
Craniosynostosis vs Deformational Plagiocephaly
Pediatric and Adolescent Breast Disorders
Pigmented Lesions and Other Congenital Skin Lesions

Phuong Nguyen, MD

Congenital Nevi
Facial Palsy
Pediatric Lower Extremity Trauma
Pediatric Wounds
Pediatric Craniomaxillofacial Trauma
Vascular Anomalies

Jordan Swanson, MD

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Cleft Lip and Palate
Craniofacial and Mandibular Distraction Osteogenesis
Craniosynostosis
Global Surgery / Surgery in Low-Resource Settings

Jesse Taylor, MD

Cleft Lip and Palate
Craniosynostosis
Hemifacial Microsomia
Mandibular Distraction
Micrognathia
Treacher Collins
Treatment of Neonatal Airway Compromise

Pulmonary and Sleep Medicine

Olufunke Afolabi-Brown, MBBS

Non Invasive Mechanical Ventilation
Pediatric OSA
Pediatric Polysomnography
Sleep Disorders in Children

Sahar Al Baroudi, MD

Congenital Lung Disorders
Wheezing and Asthma Management

Stamatia Alexiou, MD

Bronchopulmonary Dysphasia
Congenital Lung Disorders
Mechanical Ventilation - Invasive and Noninvasive

Suzanne Beck, MD

Obstructive Sleep Apnea in Children
Pediatric Polysomnography
Sleep Problems in the Pediatric Population
Use of CPAP in Children

Anita Bhandari, MD

Pulmonary Complications of Sickle Cell Disease
Pulmonary Function Testing

Christopher Cielo, DO, MS

BRUE/ALTE
Infant Apnea
Obstructive Sleep Apnea in Children

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Sleep Disorders (more broadly) in Children

Jeff Ewig, MD

Narcolepsy
Review of Inhaled Corticosteroid Use in Asthma
Severe Asthma
Update on Biologics in Asthma

Maureen Josephson, DO

Asthma
Children's Interstitial Lung Disease
Cystic Fibrosis
Lung Transplant
Primary Ciliary Dyskinesia

Hank Mayer, MD

Airway Clearance Therapies
Chest Wall and Spine Disorders in Childhood
Mechanical Ventilation
New Treatment Options in Neuromuscular Disease
Non-Invasive Ventilation
Office Based Spirometry
Pulmonary Function Testing
Pulmonary Manifestations of Neuromuscular Disease

Melissa Muego, MD

Asthma (all severities)
Non-invasive Ventilation
Pulmonary Function Tests

Melisa Moore, PhD

Behavioral Sleep Problems/Insomnia in Children
Psychosocial aspects of narcolepsy
Sleep in children with neurodevelopmental conditions

Sam Goldfarb, MD

Bone Marrow Transplants and Pulmonary Complications
Early and Late Pulmonary Effects of Childhood Cancer
Interstitial Lung Disease in Children Under the Age of Two
Interstitial Lung Disease in Older Children
Interventional Flexible Bronchoscopy in Pediatrics
Lung Disease in Immune Compromised Host
Lung Transplantation in Infants
Lung Transplantation.
Primary Ciliary Dyskinesia

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Pelton Phinzy, MD

Flexible Bronchoscopy
Foreign Body Aspiration
Laryngomalacia for Pediatricians
Masqueraders of Asthma
Pediatric Asthma
Pulse Oximetry

Joseph Piccione, DO, MS

Diagnostic and Interventional Bronchoscopy in Children
Dysphagia and Chronic Pulmonary Aspiration in Children
Noisy Breathing in Children
Pediatric Airway Disorders
The Multidisciplinary Approach to Pediatric Aerodigestive Disorders

Saba Sheikh, MD

Asthma
Cystic Fibrosis
Interstitial Lung Disease
Pulmonary Complications of Neuromuscular Disease

Sumera Solaiman, MD

Pediatric Sleep Disorders

Ignacio Tapia, MD

Chronic Mechanical Ventilation
Non-invasive Ventilation
Obstructive Sleep Apnea
Pediatric Sleep
Pulmonary Complications of Neuromuscular Disease During Wakefulness and Sleep

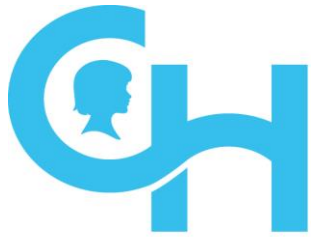

Danna Tauber, MD

Non Invasive Mechanical Ventilation
Respiratory Complications of Neuromuscular Disease
Updates on the Management of Pediatric Obstructive Sleep Apnea

Melissa Xanthopoulos, PhD

Adherence to Positive Airway Pressure
Engaging Patients and Families in Health Behaviors and Adherence to Medical Recommendations
Pediatric Obesity Assessment and Intervention
Quality Improvement as a Foundation for Program Development and Evaluation
Wellness topics for healthcare workers (e.g., managing stress, self-care, self-compassion, etc)

Lisa Young, MD

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Interstitial Lung Disease in Children Under the Age of Two
Interstitial lung disease in older children

Rheumatology

Edward Behrens, MD

Basic Immunology for Dummies

Rheumatology 101 for the General Practitioner

Systemic Juvenile Idiopathic Arthritis and the Macrophage Activation Syndrome

Jon M. Burnham, MD

Assessment of Bone Health During Childhood

Fracture Risk in Children with Chronic Illness

Pediatric Rheumatology for the Primary Care Physician

Skeletal and Non-Skeletal Effects of Vitamin D Deficiency

Systemic Lupus Erythematosus for the Primary Care Physician

Vasculitis in Children

Sabrina Gmuca, MD

The A-B-C's of AMPS: Amplified Musculoskeletal Pain Syndrome for the General Pediatrician

Andrea Knight, MD

Juvenile Dermatomyositis: Case Presentation and Literature Review

Pediatric Autoimmune Disease: An Overview

Pediatric Lupus

Quality of Life & Mental Health in Pediatric Rheumatology

Melissa A. Lerman, MD, PhD

Non-infectious Uveitis

Pediatric Rheumatology

Jay Mehta, MD

Biologic Therapies in pediatric Rheumatology

Childhood Sjogren Syndrome

Henoch-Schonlein Purpura

Juvenile Dermatomyositis

Juvenile Idiopathic Arthritis

Laboratory Testing in Rheumatology

Pediatric Sarcoidosis

Pediatric Systemic Lupus Erythematosus

Systemic Sclerosis and Localized Scleroderma

The Rheumatologist's Approach to Lyme Disease

David Sherry, MD

Amplified Musculoskeletal Pain In Children - When it Hurts Too Much

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Arthritis in Children
Juvenile Dermatomyositis
Pediatric Rheumatology X-Files
Rheumatic Disease (or not) Rashes
Rheumatic Disease Labs - When to Get What and What do They Mean?
Systemic Lupus Erythematosus
Vasculitis in Children

Pamela Weiss, MD

Arthritis in Children
Gastrointestinal Manifestations of Rheumatic Disease
Henoch Schonlein Purpura - Clinical and Therapeutic Update
Juvenile Spondyloarthritis
Systemic Lupus Erythematosus for the Primary or Adolescent Provider
Vasculitis 101

Transplant Program

BMT topics (Nancy Bunin, MD; Alix Seif, MD)

"Boy in the Bubble" - Newborn Screenings, Immunology, and Blood & Marrow Transplant
Novel Approaches to Sickle Cell Management
Post-Transplant Lymphoproliferative Disorder

Heart topics (Matthew O'Connor, MD; Karen McCandless PNP)

Back to School: Focusing on Educational Re-Entry
Decreasing Mortality on the Pediatric Heart Transplant Wait List
Heart Transplantation in Children, ABO Incompatible Transplantation, Mechanical Assist Devices, What To Do
When A Child With A Heart Transplant Comes To Your ER; Heart Failure
Pediatric Heart Failure
Too Fat- or Too Thin? Impact of Weight Post-Transplant
Transplanting Complex Pts - Pediatric Heart Transplant

Kidney Topics (Sandi Amaral MD (transplant nephrologist) ; Peter Abt, MD (surgeon))

Adult-to-Child Donor Transplants: A Surgical Perspective
Back to School: Focusing on Educational Re-Entry
Immunosuppressive Management in Renal Transplant
Transplanting Adolescent Renal Patients: Adherence, Transitions to Adult Care
Transplanting Complex Pts - Pediatric Kidney Transplant

Liver Topics (Liz Rand, MD, Kathy Loomes, MD; Kate Anderer, PNP, Becky Miller PNP, Kim

Adult-to-Child Donor Transplants: A Surgical Perspective
Back to School: Focusing School Re-Entry
Expanding the Donor Pool: Use of DCD Donors
General Indications for Pediatric Transplantation
Long Term Follow Up and Complications from Pediatric Liver Transplantation.

Children's Hospital of PhiladelphiaSM

Speakers Bureau

Minimizing and Withdrawal of Immune Suppression in Liver Transplant
Transplanting Complex Pts - Pediatric Liver Transplant

Lung topics (Sam Goldfarb, MD)

"Working Hard & Hardly Working - Challenges in Adolescent Transplant Patients"

Back to School: Focusing on Educational Re-Entry

Growing Up: Transition to Adult Health care

Non-Adherence - How the Wheels Fell Off

Orphan Pediatric Lung Disease: Interstitial Lung Disease, Surfactant Deficiencies, Congenital Alveolar
Pediatric Lung Transplantation

Tolerance is the Holy Grail: Immuno-Suppression for the Non-Immunologist

Transplanting Complex Pts - Pediatric Lung Transplant

When is a Candidate for Transplant a 'Candidate'?

Urology

Generic Talks:

Below the Belt in Pediatric Urology – What's a Pediatrician To Do

Current Management of Antenatally Detected Hydronephrosis: All That Is Dilated Is Not Obstructed

Disorders of Sexual Differentiation

Dysfunctional Voiding and Nocturnal Enuresis – The Pediatrician's Handbook

Molecular Epidemiology of Hypospadias

Pediatric Andrology Potpourri

Pediatric GU Tumors

Pediatric Urology Update

Stones in the Pediatric Patients

Transitional Urology – What to do with the Aging Complicated Pediatric Patient

Urinary Tract Infections in Children and Vesicoureteral Reflux, Finding Consensus in Confusion

Douglas A. Canning, MD.

Below The Belt in Pediatric Urology - What's a Pediatrician To Do

Dysfunctional Voiding and Nocturnal Enuresis - The Pediatrician's Handbook

Hypospadias from A to Z

Pediatric Urologic Emergencies

Transitional Urology - What To Do With The Aging Complicated Pediatric Patient

Urinary Tract Infections in Children and Vesicoureteral Reflux, Finding Consensus in Confusion

Merritt Jensen PhD / Amanda Berry, CPNP

Behavioral Management of Dysfunctional Voiding

Psychological Issues in Intersex/Exstrophy

Thomas F. Kolon, MD

Cryptorchidism

DSD

Dysfunctional Voiding/Elimination

Children's Hospital of PhiladelphiaSM

Speakers Bureau
